

PRIVACY NOTICE for pupils in schools, early years settings, alternative provision and pupil referral units

Privacy Notice - Data Protection Act 1998

We at Eaton Primary are the Data Controller for the purposes of the Data Protection Act. We collect information from you, and may receive information about you from your previous school and the Learning Records Service. We hold this personal data and use it to:

- support its pupils teaching and learning;
- monitor and report on their progress;
- provide appropriate pastoral care, and
- assess how well the school as a whole is doing.

This data includes your contact details, national curriculum assessment results, attendance information¹, characteristics such as ethnic group, special educational needs and any relevant medical information.

This data may only be used or passed on for specific purposes as allowed by law. From time to time the school is required to pass on some of this data to local authorities, the Department for Education (DfE), and to agencies that are prescribed by law, such as Ofsted, the Department of Health (DH), Primary Care Trusts (PCT), The Learning Records Service, or any successor bodies. All these are data controllers in respect of the data they receive, and are subject to the same legal constraints in how they deal with the data.

Pupils, as data subjects, have certain rights under the Data Protection Act, including a general right to be given access to personal data held about them by any data controller. The presumption is that by the age of 12 a child has sufficient maturity to understand their rights and to make an access request themselves if they wish. A parent would normally be expected to make a request on a child's behalf if the child is younger.

If you wish to access your personal data, or that of your child, then please contact the relevant organisation in writing. Details of these organisations can be found on the following website <http://www.norfolk.gov.uk/fairprocessingnotices> or for those pupils/parents where this is not practical a hard copy can be obtained from the school office.

If you require more information about how the LA and/or DfE store and use this data please go to the following websites:
