

## **Eaton Elephants Pre-School**

### **About us**

Eaton Elephants Pre-school is situated in a mobile in the grounds of Eaton Primary School. The accommodation has been adapted to provide a safe and secure environment for your children, with areas for quiet, play and rest. Outside we have a growing area and space for supervised outdoor activities; we have the use of the schools playground, field and spinney. We are conveniently situated near Waitrose and local amenities. The sessions cater for a maximum of 26 children. The starting age for children is 2 ½ years old.

Our main aim is to provide a happy and secure environment for your child, so that you can be confident that he or she is being given all the care and attention you would wish.

### **Pre-school curriculum**

Children learn best through play. We provide a broad range of challenging and stimulating play activities, both indoors and outdoors, that promote children's overall development. The Early Years Foundation Stage provides the statutory framework for young children's learning and development.
