Dear Parents and Carers,

Industrial Action Wednesday 30th November

As Head Teacher for your school, your children and my staff, I am writing to inform you that discussions have been taking place recently to consider the potential impact on our school of the industrial action on Wednesday 30th November. I know how hard everyone at Eaton works to give of their best for your children. Each staff member has the right to show their feeling for the proposed changes to working conditions. In this matter I respect their right to take action as a way of demonstrating their feelings. Ultimately, it is up to the individual as to whether they strike or not and as we work with young children many staff are extremely torn as to whether they support the strike action or come into school. The result of this may mean there will be some classes closed and some open and I wanted to inform you as soon as it was clear. Each class will be informed by letter today about which classes that are affected. I wanted you to know as soon as possible so that you are prepared.

Yours faithfully

Steve Portas
