## Senior Teacher this half term will be

**Mrs Coy** - to help us to help you it is important that you speak with class teachers **first** if you have concerns **before** approaching members of the senior team. Of course Mr Arthur, Mrs Coy, Mrs Dorling or Mr Portas are all happy to see you about anything thereafter if you need to.

## PTA

The next meeting will take place directly after school on Wednesday 25<sup>th</sup> January in Reception classroom. A DVD will be shown for the children.

## Mobile Phones

Should you require your child to bring a mobile phone to school they **must** leave it with a member of the office staff, with their name and class clearly marked on it. A sticky label will be fine.

## Crafticubs

Due to the success of 'Crafticubs' after school club and breakfast club, many sessions at after school club are full and we now have a waiting list for some sessions.

Staffing for the club is calculated on a termly basis according to the booking forms submitted. In view of this it is, unfortunately, not always possible to guarantee the availability of extra sessions on an ad-hoc basis. We would, therefore, ask you to give as much notice of cancellation as possible to enable us to fill places where appropriate. If your child is ill and not attending school but is booked into Crafticubs, please inform the play leader or school office when contacting them regarding their absence.

We would like to remind you that without 24 hours notice you will still be charged for the session.

## New Clubs!

Soon there will be more clubs for your children to enjoy. All current private clubs will remain as they are. Please look out for the timetable on our web site. Polite reminder if children sign up to attend we need a commitment to come each week. Thank you staff for this!

## House points:

**Einstein: 141**

**Faraday: 183**

**Newton: 138**

**Well done Darwin!!!**

### It's learning: Mr Arthur

As you may be aware, we have been using our It's Learning virtual learning environment (VLE) for a few months now. All children in the school have a unique log on and password to gain access to their year group page which is filled with school work, homework tasks and fun games and activities. To ensure parents/carers have access to this without having to log on as their child we have set up generic year group log-ons. You will be able to catch up with what is going on, have a look at the homework or spellings for that week or find out how you might be able to help your child with a particular piece of work.

The generic log-ons are based on the year group your child is in and is followed by ".ep".

Parent logons: rec.ep, one.ep, two.ep, three.ep, four.ep, fivesix.ep

Password: all parent accounts have the password elephants
