22nd February 2012

Dear Parents & Carers,

A year has passed since we last asked you about your views of the school's strengths and areas for improvement.

You asked us to focus on improving our communication with yourselves and providing more specific information about your child/ren's achievement.

We responded by revising our reporting format and parent consultations; by providing interim reports and clarifying the information you should expect to receive and by issuing newsletters electronically. We very much hope these changes have been welcomed.

We shall also be surveying the children's views again which the Children's Council will then discuss.

We will let you know the collated results from both and keep you informed of how your ideas have made a difference over the coming year.

Please read the following statements and tick the answer which best fits your view of the school. Please only tick one box per statement. If you feel unable to answer a question please leave it blank. If you have more than one child at the school you are welcome to complete two separate forms but make this clear.

Your views are important and even if you are completely happy with your child/ren's experience at Eaton Primary it is really helpful to let us know. As per last time I have made this a challenge for the children and I have promised that if we get over 50% returns they will all have extra playtime the following week. There will be a questionnaire thermometer in our performance hall so please return yours to the school office by the end of the school day Wednesday day 29th February.

Yours faithfully,
